CR4300 Product Bulletin
End-of-Life Notification

Product Name:	CR4300	Reference Number:	D033477 CR4300 EOL Product Bulletin
Date Announced:	September 1, 2019	Date Effective:	September 1, 2019

This is an official notice that the Code Reader™ 4300 will be discontinued effective September 1, 2019. Accessories will be offered until December 1, 2020. Extended warranty options will no longer be available after September 1, 2019. Other pertinent dates are listed below. Apple discontinued the iPhone 6S, directly impacting the CR4300. Code offers other products that may meet your requirements.

Code has fully-enclosed battery backup cases for the iPhone 7 & 8 models: the CR7018 and CR7019. These cases and CortexDecoder are a perfect match to accommodate any mobile clinician. CortexDecoder was integrated into Epic Rover and Allscripts Sunrise mobile applications. CortexDecoder can be integrated into any mobile application, enabling SoftScan features and functionality.

If you have any questions regarding this notice or are interested in other products from Code, please contact your Code representative, or visit our website at http://www.codecorp.com.
